I love these old Christmas stories and am thankful that Joe Wheeler has resurrected them.

Charming stories that put me in the right frame of mind to celebrate Christmas.

This is not for the jaded and cynical. However, Christmas itself is lost on those. Be open to the heart string tugging short story and you will find this book most satisfying. It is a collection of short stories published in newspapers and church bulletins from the last century. I especially liked "Echo Serenade" a story of a random act of kindness, one musician to another. Bill

I have a number of Mr. Wheeler's books and this one didn't disappoint. The stories warm the heart and help you reflect on the true meaning of Christmas. I had read all the stories before I knew it and wanted more stories. I am glad to have it in my collection.

I love these books, but they are out of print and hard to find. Found this used book and decided to take a chance on it. It was just as described by the seller and came quickly! Very pleased!

Magnificent stories

Great stories.

Have 14 Joe Wheeler books including the 1st & 2nd Christmas in My Heart, so I had to have 3rd !!
Thanks, mary ellen

I searched high and low for this story which had been published in a ladies' magazine long ago. I clipped it and saved it for years and unfortunately had lost the first couple of pages. Now I have it in this anthology, and I recommend it to everyone.
