Customer Reviews

This CD set is for the textbook. It is not the CD you need for the work book. Use this CD if you want a native speaker to read your text book to you. Buy something else if you want to be able to do the listening comprehension exercises in the Yookoso work book.

Took a long time to get both the CD and the book. When they arrived they were in good condition with minimal writing in the book and all 4 CD's worked without any scratches. They even included a new case for the CD's as the original one was cracked. What a great savings these were in comparison to the brand new versions.
