## Customer Reviews

Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

This book contains several standard flute selections for the intermediate player. Also, some of the pieces in this collection can be found on various state's required music lists. There is better flute music out there, but this an inexpensive option with which to start a sheet music collection.

Excellent for students
