Lone Wolf And Cub Omnibus Volume 9 (Lone Wolf & Cub Omnibus)

Synopsis

With waves of warriors seemingly incapable of killing ronin swordmaster Ōgami Ittō, the Shogun opts for stealth and subterfuge to attack the Lone Wolf. Using a network of prostitute spies to corner Ittō, a master poisoner waits in the shadows to accomplish what razor-sharp steel could not! Created by Kazuo Koike and Goseki Kojima, Lone Wolf and Cub has sold over a million copies of its first Dark Horse English-language editions, and this acclaimed masterpiece of graphic fiction is now available in larger format, value-priced editions.

Customer Reviews

Kazuo Koike is a prolific Japanese manga writer, novelist and entrepreneur. Early in Koike's career, he studied under Golgo 13 creator Takao Saito and served as a writer on the series. Koike, along with artist Goseki Kojima, made the manga, Lone Wolf and Cub, and Koike also contributed to the scripts for the 1970s film adaptations of the series, which starred famous Japanese actor Tomisaburo Wakayama. Koike and Kojima became known as the "Golden Duo" because of the success of Lone Wolf and Cub. Another series written by Koike, Crying Freeman, which was illustrated by Ryoichi Ikegami, was adapted into a 1995 live-action film by French director Christophe Gans. The author lives in Tokyo, Japan.

One of 12 in the series. Great series.

Excellent, as always.

Good

I've fallen out of reading manga as I've gotten older, I just can't get into series like I could from years back. However this series I'm in it to the end. And Vagabond LOL. I just enjoy seeing the wisdom and internal strength that Ogami Itto displays rather than be a fight first type of character. There is a deep strength within this character and innocence within his child that I want to see how this story plays out. So I will continue to read this story till the end as I find it to be very well written and drawn.

Moving towards a final climactic showdown with the Yagyu. But Lone Wolf has to deal with a master of poisons first.
