Dude, Where's Your Helmet?

Synopsis

When Dan met Jack to go mountain biking, he saw that Jack had forgotten something IMPORTANT. Dan asked, DUDE, WHERES YOUR HELMET? Jack replied, My head gets too hot. I dont need my helmet! So off they went mountain biking. Dan and Jack were having fun riding down, down, down the mountain. Then all of a sudden Jack hit a rock and went FLYING over his handlebar. He landed HEADFIRST on the ground. Jack hurt his head badly, so Dan rushed Jack to the hospital. Doctor Lindy patched up Jack and then said firmly, NO MORE MOUNTAIN BIKING FOR YOU! Jack LOVED mountain biking, so he was very sad.

Customer Reviews

David A. Duncan is a contemporary photographer based in Calgary, Alberta, and has been shooting photos for over 12 years. He migrated from Toronto to Calgary in 1997 and has been storming the western market ever since. Dude, Wheres Your Helmet? is Davids first book and the first in a proposed series highlighting outdoor activity for kids.

The funny photos and easy to follow content kept my grandson, as well as his buddies, totally absorbed! Really cute book!
