Customer Reviews

I may be a tiny bit biased because I'm fortunate to have experienced this gentleman writer's talent from an alternate platform before he was published, but, for the community, he writes many beautifully moving pieces. Check it out. It's well worth the price. And just check out that amazing cover!

This book is filled with a true love between a Dom and his sub. It's filled with lessons, reflections and a relationship built on love and dependency on one another.
