Power Thoughts Devotional: 365 Daily Inspirations For Winning The Battle Of The Mind

Synopsis

Based on Joyce Meyer's New York Times bestseller *Power Thoughts*, this devotional includes 365 opportunities to tap into God's power in your daily life by thinking and speaking His way. The **POWER THOUGHTS DEVOTIONAL** will provide you with life-changing declarations of truth, directly from God's Word, to think and speak over your life every day of the year. Proverbs 18:21 says, "Death and life are in the power of the tongue." Simply put, words are containers for power--positive or negative, creative or destructive. Therefore, it is imperative that you learn to think and speak on purpose, using the life-giving wisdom in God's Word. When you do, your life will never be the same! If you struggle with being negative, critical, or judgmental of people and situations, don't be discouraged. God wants to help you renew your mind to think and speak as He would. It won't happen overnight--but each day you will make progress as you choose power thoughts to be more like Jesus. It's time for you to experience and enjoy the life God created you to live, and Joyce wants to help you get there. You can do it with this devotional by learning how to think and speak power thoughts daily.

Customer Reviews

JOYCE MEYER is a #1 > bestselling author and one of the world's leading practical Bible teachers. Her broadcast, >, airs daily on hundreds of television networks and radio stations worldwide. Joyce has written nearly 100 inspirational books. Bestsellers include > and >Joyce holds conferences throughout the year, speaking to thousands around the world.

Feeding our thought with positive, buoyant, hopeful spiritual truths is a helpful discipline. That's how this book can help. Each day there is a Bible verse of hope, strength, comfort, power and possibility, with a little lesson of how that verse applies to modern life and a take-away thought you can think about through the day. Instead of our thought circling fruitlessly around our problems, or worrying, we can substitute a spiritual law or promise which governs our situation. As the author writes, "When you have a problem, nothing negative will fix it." This book takes the powerful laws and truths in the Bible which speak to God's care, love, protection, support, help and comfort to fill our thoughts with. Some believe there is spiritual law and power behind these verses, that when applied to your life, the problems become resolved, dissolve or easier to deal with as you go forward. A solution might appear to you as your thought is focused on the spiritual truth governing the situation. To give you an example of what's covered, the lesson for today is "Increasing Your Faith" with a verse from Hebrews - affirm your faith in God's care and power when a negative thought, doubt or despair appear. Other topics covered include joy, "if's", motivation, your future, encouragement, God's timing etc. It's great to have a spiritual lesson for each day to consider. This book is attractive with a thick, colorful cover. The pages inside have a charming, soft check on them which fades out towards the bottom of the page. This would be great to keep by your bed and read first in the morning and last at night. I like underlining and writing thoughts which come to me on the pages, but the kindle version might be helpful for those commuting. The only recommendation for the future for the publisher is attach one of those ribbon-like book marks to mark the daily page you're on would be helpful - although a book mark will work in the meantime. If you like strengthening and comforting Bible verses with a positive sermonette below, you should enjoy this book. I like spirituality which speaks to God's promises of good to us as God is Love and Spirit, says the Bible. This little volume is full of verses reminding us of the divine good and support available to us in this life adventure.

This book serves as a terrific quickie boost to start or end your day. I am HIGHLY skeptical of TV preachers, but over the years I've grown to trust and enjoy Joyce's work. Truthful & useful -- that's what this book and ministry are all about.

It is easy to read and powerful thts for the heart!!!! find that Joyce Meyer books are very helpful Spiritually!!!

Joyce Meyer chronicles a refreshing, motivational and uplifting devotional guide, filled with spiritual

guidance, to walk on the road of happiness. The author discusses how and why negative thoughts can easily become the enemy of our lives, the importance of right action and thinking, and how to determine our priorities. This inspiring and encouraging devotional explains the importance of living with love, how to set the tone for the day, and how to resist the temptation of giving-up. In addition, Joyce Meyer highlights that a happy heart is good medicine, why we should choose to say good things, and the crucial importance of the power to believe. We learn about the influence of thoughts, words, and habits, and how they play a part in everyday life. The author also discusses the 'I Am And I Can Attitude' and its reflection in our lives. Most important, spiritual maturity is encouraged, and readers learn why many people may need a time for change, in order to have a new beginning. To have power over negative thinking, along with taking control of our speech, combined with a positive attitude reflects everything. Joyce Meyer guides us on how to set the tone each day as we learn about the power of words, and the power of the mind. The reader learns about guilt and forgiveness, realistic expectations, and how a feel good attitude is the golden key to happiness. The author also highlights why we should never dwell on saying that we cannot accomplish, as she discusses how moods can influence behavior. The reader is encouraged to read the daily Scripture, as we search for everything positive, in a mission of gaining control over negative thinking. Inspiring, refreshing, interesting, and thought-provoking. Highly recommended!

A few years ago, I discovered Power Thoughts in Joyce Meyer's teaching. I immediately put them on my refrigerator and have used them numerous times as has my whole family. With this devotional there are 365 Power Thoughts along with scripture and teaching on that thought. Quick to read this keeps you in the Word even when you only have a minute or two. I go to bed with it rather than using it in the morning, which gives me something to clear my mind of the day's thoughts and keep it focused throughout the night on the Word of God.

I buy a new devotional every year. This is my second one by Joyce Meyer. I bought it because I hoped that it would not only meet my daily desire to keep my Christian faith a daily part of my life, but also because it suggested that it would also help me become more positive in my life as well. By January 2, I was convinced that I had chosen exactly what I wanted and purchased another copy for my mother-in-law who is going through a rough time after the death of her husband. Although time is what she probably needs most, she is also benefiting from this book as well. I recommend it highly.

Joyce Meyer is one of a kind. Her teaching is down to earth and applicable to everyday life. Start your day with a devotional from this little, happy book! Full of life-affirming, uplifting reminders.

This is a great little book! I read it daily. It does not sit on a shelf as so many other daily thought books I have ordered. This little book will really make you think.
