Master Your Communications Management Concepts: Essential PMP® Concepts Simplified (Ace Your PMP® Exam Book 9)

Synopsis

"I am deeply impressed with your presentation styles, which appears not only to be a good read but also pleasantly organized. This makes reading and gaining knowledge much easier and faster. I would like to introduce your web page and your effort authoring these remarkable resources to any aspiring applicant I may across in my career.."- Muhammad Khan

With the latest changes to PMP® exam, questions now focus more on concepts as applied to scenarios, even the ITTO based ones. This book, 8th part of 11-book series 'Ace Your PMP® Exam' focuses on the necessary concepts of Project Communications Management Knowledge Area for PMP® exam. Please take a look at the Table of Content by clicking on 'Look Inside' link to see the content is covered in the book. Any process names and ITTOs are deliberately omitted from the book, expect in places required in the context of the content, and the focus is only on simplifying concepts with examples and illustrations. This book is a complementing study resource to a PMP® study guide. In addition to using as one of study resources, many PMP® students are using this series as a revision tool just before the exam with excellent results.
