This was such a cute gift that my daughter did for her best friend as a gift. there are about 50 pages that you fill in and complete the sentences. Her friend love reading all the funny and loving things my daughter wrote about her and she was super encouraged.

There are a few questions that are repeated just worded differently. But I love this little book! Yes, it is little! It took some thought to fill every page out, but it will be worth it to see their face when I give it to them!

Very cute but extremely small. My fault for not reading the full description but it's smaller than my

iPhone! The pages are nice and it made a great gift for my mom just wish it was a bit bigger

No damage, sleeve is intact, and will be a great gift for my special person! Tip: if the mad libs are too generic for you, draw pictures and/or cross out words to add your own if needed!

Such a cute idea for really giving a customized gift! Well received and lots of fun filling out!

Kind of cheesey....but that's the idea, right :-)
