Customer Reviews

Michelin ZOOM Lyon Environs de Lyon Map 110 (Maps/Zoom (Michelin)) (French Edition)

Now this is a map. Great for planning a trip in detail. Not the kind you want fully expanded in the car as it is big.

The information is well laid out but I gave it a 3 only because i was really looking for something laminated and a better street view for the section reflecting the city of Lyon. However, this map will be a great help when we explore the areas surrounding Lyon via our car.
