Customer Reviews

I have had a copy of this for years, and had "loved it to death"!! It is an absolutely wonderful contemporary translation of my dear friend, the I CHING. I have 4 translations that I work with, but this is by far the most understandable and spot-on of them all. It is written in contemporary parlance, and I would highly recommend it to anyone--whether a novice or a long term user.

I love it A very beautiful deck

The cards do have pretty pictures, but do not include any text at all, not even the name of the hexagram, let alone any descriptive text.

Nagyon gyorsan, pontosan ájszer... Á állapotban áörkezett Ás egy hiányp t! Á (Magyarországgon nem eláörhet... Á') termák!

I love the simple design and descriptions of the cards. Very good quality pack.

Love this set! Great addition to my daily inspiration. Only Dislike is the book is very small, same size as cards, I do not expect it to hold together as long and as much as I will be using this deck....but glad I have it and will just have to be gentle in use.

The cards are nicely drawn, but the pictures often don't really reflect the meaning of the gua.

The cards rock...I love the newer simplicity they introduce. The book isn't bad either, but I tend to reference my readings via the Peter Crisp translation after I have chosen my cards
