The Hunger Pains: A Parody

Synopsis

WINNING MEANS WEALTH, FAME, AND A LIFE OF THERAPY LOSING MEANS DEATH, BUT ALSO FAME! THIS IS THE HUNGER PAINS When Kantkiss Neverclean replaces her sister as a contestant on the Hunger Games - the second-highest-rated reality TV show in Peaceland, behind Extreme Home Makeover - she has no idea what to expect. Having lived her entire life in the telemarketing district's worst neighborhood, the Crack, Kantkiss feels unprepared to fight to the death while simultaneously winking and looking adorable for the cameras. But when her survival rests on choosing between the dreamy hunk from home, Carol Handsomestein, or the doughy klutz, Pita Malarkey, Kantkiss discovers that the toughest conflicts may not be found on the battlefield but in her own heart... which is unfortunately on a battlefield.

Customer Reviews

Many people complained that "KantKiss" was dumb as a plank. Well of course she was... It's a 'lampoon' the characters are supposed to be absurd. The book is everything you would expect from a Harvard Lampoon. The framework of the story is reasonably faithful to the original book, but all of the characters are changed to make the tale humorous. I'm not a huge fan of literary slapstick, but I found the book quite readable and somewhat amusing,

It was pretty funny, also similar to other hunger games parodies, but all in all it was in good fun

It was hilarious. But this book is the stupidest book ever. Why did I give it four stars, you ask? Because it made me laugh so hard I couldn't breathe. Kantkiss your literally the stupidest. Person. Ever. End of story.~ Brianna the book lover (books and French fries make the world go round)

Well I got this book because my friend recommended it and I loved it. It is a little inappropriate, like Kantkiss talks about sleeping with Pita and doing sexual with him. So yes, a little inappropriate, but a really good book. I recommend this book who can handle thing like talking about sleeping with people, I don't recommend this for kids 12 and under.

I really enjoyed reading this parody. I am a huge HG fan and loved everything from stupid Kantkiss to the boy with the head Pita Malarkey. So,if you want a quick,funny,and charming read I suggest Hunger Pains. The only reason I gave it four stars instead of five is because I wasn't happy with the ending,but I don't wanna spoil it.

I thought this was the funniest book I have ever read. Though, I thought the train ride an the hotel thingymagig whatyamacallit,was a lot short other than it was in the real books. But other than that, it was great! Keep up the good work.

This is a funny knockoff that doesn't get enough credit I've read this many times and I laugh each timelf your looking for a funny book this is the one to choose

This book made me laugh out loud. It is rather stupidly cartoonish most of the time, but now and then Kantkiss will say something incongruously smart and remind the reader that there is some intelligence behind the book.
