Customer Reviews

The pictures are beautiful, but often very detailed, to the point where my colored pencils are not fine enough to fill in the spaces.

Nice designs just not enough.

Got this for an 8th grade grad gift..SHE LOVED it!! (small 8x8)??? but it works. Loved the illustrations.

Picture of book next to others I have purchased show the book as the same size. This is just a small book. Disappointed in the pictures and size and it was more expensive than the others.

Awesome Designs - Very intricate!

smaller than i Had thought.
