# A Practical Guide To Media Law

## Synopsis

Demonstrates the practical realities of media law      Explains Complicated Legal Issues in a Clear, Concise Manner - The text is a reference guide organized into five sections that group conduct by the potential kinds of liability or legal issues that might arise. This emphasis on behavior rather than legal theory allows non-lawyers to more easily apply legal principles to real life conduct. Charts and graphs summarize key points and help readers see how concepts are related.      Incorporates Contemporary Cases and Issues - Relevant cases are discussed throughout and are used to illustrate how key principles are applied in real-life scenarios.      Chapter 20 solely focuses on how the Internet has affected publishing and the law.      Provides Case Citations - For those who wish to explore the case law for each topic in full, a Table of Citations is provided      Text + MySearchLab ValuePack: ValuePack ISBN-10: 0133803333 ValuePack ISBN-13: 9780133803334

## Book Information

Paperback: 336 pages

Publisher: Pearson; 1 edition (February 19, 2014)

Language: English

ISBN-10: 0205911897

ISBN-13: 978-0205911899

Product Dimensions: 7.4 x 0.8 x 9 inches

Shipping Weight: 1.1 pounds (View shipping rates and policies)

Average Customer Review: 4.4 out of 5 stars      6 customer reviews

## Customer Reviews

Ashley Messenger is Associate General Counsel for NPR, specializing in First Amendment and media law issues.      She has previously served as Editorial Counsel to U.S. News & World Report, a Fellow at the Reporters Committee for Freedom of the Press, and a radio talk show host.      She has been practicing law for nearly 20 years, almost entirely in the field of media law.      She is an adjunct faculty member in the School of Communication at American University, where she has taught media law for graduate and undergraduate students since 2002.      She has also taught similar classes at George Washington University and George Mason University.      In the fall of 2013, she will be a visiting adjunct at the University of Michigan School of Law, teaching

First Amendment law. She has professional honors and leadership roles include being a member of the Media Institute's First Amendment Advisory Council; co-chair of the Media Law Resource Center's Pre-Publication/Pre-Broadcast Review Committee; Vice Chair of the D.C. Bar Media Law Committee; and on the governing board of the ABA Forum on Communications Law. She received a B.A. in philosophy from the University of Massachusetts at Amherst and a J.D. from Pepperdine University.

Really liked all the case examples and the way the chapters were organized. I felt I could grasp each concept and then build upon it with every new chapter.

This practical guide is a great insight into the world of Communication Law breaking down basic concepts on how the Judiciary system works, and the most important legislations pertaining to the world of communication.

great book if you are a producer and wants to know what are the precautions you need to take to get a good product without legal production tail

GREAT!

Got an A in the class!

This book was required for my class, but I wouldn't recommend it to anyone. The book itself is okay in terms of information, but it's riddled with typos, which I find unacceptable in any published book, but especially in college-level textbooks. Also, some of the legal terms aren't defined in the text, which was inconvenient because I often had to search for definitions in order to fully understand some concepts.
