Great and funny gag gift

I firmly support this book! As a member of society, who stands tall and proud, with only a slight lilt to the left, I salute ValBrains for giving me the strength to be the balls I want to see in the world; and for giving me the book that lets me color them in.

Somebody went all out. These drawings are ridiculous and guaranteed to get a laugh. Great and truly unique bachelorette party gift.

I found this book at an AirBnB, and it was hilarious. I can't believe it's only \$6.

This coloring book is rad!! 5-Dicks Up!!!

This book is hilarious. Make a fantastic gift. So much fun, too!

Excellent.
