I just love looking at these photos. I have lived and enjoyed the beauty of Colorado for most of my life. John Fielder captures the gorgeous mountains, landscapes, and deciduous trees as they

change yearly in Colorado. I saw John Fielder holding this book as he discussed the best ways to view the change of season on local television. I immediately searched for the book and it was in my home two days later! I also gave this book to my father for his birthday as we both share a love of photography and fall in Colorado.

Very beautiful book and if you haven't seen Colorado in Autumn, you will sure want to visit at that time of year after looking through these pages.

Excellent book, as are all of Fielder's books.
