Product Dimensions: 10 x 7 x 0.4 inches

Shipping Weight: 9.6 ounces (View shipping rates and policies)

Average Customer Review: 2.7 out of 5 stars 3 customer reviews

Best Sellers Rank: #2,524,353 in Books (See Top 100 in Books) #43 in Books > Teens > Education & Reference > History > Central & South America

Customer Reviews

The book was a great introduction to the country, but where it was incredibly useful to me was as a text for mid-level students in my English As A Second Language class. It was really interesting to my students, most of whom come from Cuenca, who absorb grammar without the torture of typical textbook lessons.

I was expecting a coffee table size book with more photos. Although there is some good information in the book, the price for such a small and unimpressive book is way too high.

I was hoping this book would be packed with pictures so my children could see what the country looks like. This book includes a few gorgeous pictures, but it's really a general information book about the land, history and government, the people, cultural life, and the economy. I would expect any informational book to have as many or even more pictures. The title indicates that the main focus of the book will be pictures, which is certainly not the case.
