MORE PRECIOUS THAN GOLD

The happiest day of Sethâ€™s Macleodâ€™s life was his marriage to Constance. Their happiness is interrupted when Seth travels west in search of his fortune. His obsession almost leads him to lose all that is precious. Sethâ€™s legacy continues when the 7 pieces of his torn treasure map find their way into the hands of 7 more colorful brides and their pioneer husbands.

**RUBY'S RACE** Ruby Murphy is a young orphan who is used cruelly by her aunt and cousins. When one of her cousins attempts to molest her and she defends herself, she is kicked out into the street and left to fend for herself. Homeless and unable to find employment, she turns in desperation to The Western Matrimonial Agency and answers a complete strangerâ€™s advertisement for a bride.

**CORAL'S CRY** Despite all her friendsâ€™ warnings, Coral is determined to marry Richard. Then, when he leaves her at the altar for his secret lover, Coral is unable to face peopleâ€™s looks and disdain. The chance to move west and marry Thomas Winters seems the perfect escape route.

**AMBER'S ESCAPE** Amber is highly amused at the sight of the ridiculous Lord Richard Clarrington The Third, Earl of Suffolk, but she is horrified when she discovers that her father and stepmother intend to marry her off to him. When she refuses, her parents confine her to her rooms, but she and her maid, Felicia, plot her means of escape: Amber will become a Mail Order Bride.

**JADE'S JOURNEY** Forced to sell her family home, Jade Fern finds her ancestorâ€™s papers, including a piece of a map. Jade decides to go to Rainbow Mountain. Meanwhile, Julius Neil discovers deeds to the same land. A spirited rivalry springs up between them, but Sheriff Augustus Gordon has a scheme to bring them together.

**SAPPHIRE'S SURPRISE** The determined Sapphire Alexander is a successful nurse and midwife at San Franciscoâ€™s prestigious Central Memorial Hospital, but she is plagued by the attentions of Dr. Michael â€œtchy Fingersâ€• Spinks. Her repeated rebuffs only anger him, and he eventually has her fired because she wonâ€™t give in to him. Forced to travel west and terrible accident leads to love.

**AMETHYST'S SECRET** Amethyst Mayfield is the daughter of an archeologist whose travels lead him to the forest - he never returns. Amongst the artifacts that he leaves is a fragment of parchment promising rich returns from the Montana hills. Amethyst, fascinated and keen to continue her fatherâ€™s legacy, devises a way to move to Montana as a Mail Order Bride.

**VIOLET'S VICTORY** Violet Wakefield faces the impossible dilemma of providing the necessary fees for her sick motherâ€™s urgent medical care. She is led to

respond to the pleas of a lonely logger from Rainbow Mountain, willing to pay a handsome dowry for a suitable Christian bride. She reluctantly leaves her mother to join Martin Allen, who pays for her mother's medical care. 7 COLORS OF LOVE Each of our brides has found love in Montana, but all are unaware that a storm is brewing. Creeping from the past comes a greedy hand ready to grasp the hidden treasure, but first the seven brides must be lured where their bounty can be stolen. Watch and wonder as the thrilling finale of the Rainbow Mountain Brides gallops to its conclusion. BONUS STORY - RAINBOW BRIDES 10 YEARS ON A decade has passed and the brides and their husbands are now facing some unexpected challenges. I am certain that what you are about to read will not be what you expect, just as it was not what our lovely couples expected as the years rolled by. Hope you enjoy this tiny glimpse and final wave as we close the door on Rainbow Mountain.

## Customer Reviews

WOW! Terri Grace has done it again! This is a fantastic series from start to finish. Starting out, the

reader finds out about Rainbow Mountain; but, is left wondering what happens to all the pieces of the map that Seth MacLeod tore. Each of these books brings a new bride, and sometimes new groom, to Rainbow Mountain; along with a new set of problems. How does the bride and groom learn to create a life together? God of course! However, each couple is faced with a unique set of problems to be dealt with. However, the reader has to continue each book to find out where the true gold is. Is it mineral? Or, is it the Lord? Finally, in the next to last book, the brides, and grooms, finally learn how to fit all the pieces of the map together and where it leads. Yes, there is excitement and fear; but, in truth, what I loved about this entire set, is how the Lord directed each couple and showed them what true love and happiness is. I also loved reading about what they did with their gold. Then, finally, in the very last book which occurs 10 years later, the reader learns that, even with the Lord's guidance and love, as well as the love each couple shares, the path of marriage can be rocky, can and DOES take hard work together! Do all the couples manage to survive their personal rocky road? Ahhhh, the reader MUST find out for themselves. I will admit, once started I didn't want to stop reading any of these books. I highly recommend this series for all age groups, including my young teenage granddaughter; that she may learn to lean on the Lord to help her through all of life's ups and downs.

The first nine books in the rainbow series are great wonderful marvelous what else can I say Terri did a outstanding job. Now I want to review rainbow brides 10 years now....This is another wonderful story by Terri. Her inspirational books always seem to have such wonderful thought provoking meanings to them. This one reminds me that competition is good but when it destroys friendships then no it is not worth it, as everyone of these men find out. Also communication is the number one key to a successful and long enjoyable marriage. It is great to see the devotion these women have for their husbands and their friends. The part I think that pretty much sums it all up is Egos are fragile and pride comes before a downfall. Just something to think about. I do recommend this series to all. Keep up the good work Terri.

I love the way this author entwined the story of these. mail order brides lives without losing anything and make you wonder what happens next it was very well written and I have to admit this is the 3rd time in a month that I have come back to read this enchanting story again who's is not something that I do often. This to me is a must read as it will engage all your emotions in the first go around . And is very hard to put down and walk away from.

Loved every story. Great writing. I'll be reading it again and again.

I read the story of the couple who went out west and started it all. I then read the story of each of the mail order brides, I enjoyed them very much. I then got a chance to get the whole boxed set, I couldn't pass up the chance to read the story from being to end, with the last two books included. I loved being a part of their story, and was sorry to say goodbye to Rainbow Mountain. Gary

I enjoy reading books that are biblically based - showing God's redemptive power in the midst of human failures. This series shows how young couples should love and forgive each other when Jesus is at the center of their marriage. I highly recommend this series.

Quickly read and nice escape.

I enjoyed every book in this collection. I enjoyed them so much that I went online and searched for other books by Terrie Grace and ordered them. These are great clean romance stories with a variety of story lines that all can enjoy!
