My wife's favorite piece of Christmas music. I used the sheet music to sing a solo for a church service. It seems that Mark Lowry's Mary Did you Know is a favorite of many. What was greatly appreciated by me was how quickly the music came after it was ordered.

I've heard "Mary Did You Know" at Christmas time for the last maybe 4 years and thought it was so

beautiful. This past Christmas I purchased this booklet with CD after comparing all those who recorded the song and Mark Lowry's was without a doubt the best. Our family (18 of us) get together Christmas Day for a time of celebration and a feast. Just before forming a circle holding hands around a huge table to say the blessing, I had my son-in-law play the recording. It created an atmosphere I hadn't anticipated. We were all so touched no one could hardly speak. The words have meaning many people would not be able to understand without knowing the scriptures. Thank you Mary Lowry for your gift! N. Exactly as advertised and what we wanted. This item is just as pictured. Most useful product that arrived promptly and in good condition.

TRINA

This is a beautiful explanation of the inspirational song with beautiful pictures and recorded by the Original Artist. Although K. Rogers made the song famous, I was very happy to send this wonderful book with the CD in the back part of it for Christmas gifts for our blended family of 14 last year for Christmas!.

I got this for my mom for Christmas, and she was thrilled. She said the book is just beautiful and the hymn is one of her favorites. That hymn has been performed by many singers, but she feels that this one is the best she's heard.
