Customer Reviews

Covers the ships, commanders, harbors, bases, uniforms and insignia of the U-Boot Waffe in over 270 photos.

An excellent book! Primarily a photo reference with lots of unusual historical photos (almost all black-and-white), plus text, diagrams and illustrations related to U-Boats and other German naval operations during World War Two. This book was researched and written by Germans, so American readers will get a point of view you likely haven't heard before. Top quality paper, printing and binding by Schiffer Publishing, Ltd. A fine addition to any WWII library - highly recommended.
