Greatest Fishing Stories Ever Told: Twenty-Eight Unforgettable Fishing Tales

Synopsis

The Greatest Fishing Stories Ever Told is sure to ignite recollections of your own angling experiences as well as send your imagination adrift. In this compilation of tales you will read about two kinds of places, the ones you have been to before and love to remember, and the places you have only dreamed of going, and would love to visit. Whether you prefer to fish rivers, estuaries, or beaches, this book will take you to all kinds of water, where you'll experience catching every kind of fish. Read on as some of the sport's most talented writers recount their personal memories of catching bass, trout, bluefish marlin, tuna, and more. You'll read about all kinds of fish, and all kinds of fishermen in these pages. Explore the Pacific with Zane Grey, as he fights a 1,000-pound blue marlin, or listen as A.J. McClane explains just what it really means to be an angler. Take a step back in time when you read Ernie Schwiebert's tale of fishing a remote lake in Michigan, when he was still only a young boy. Each of these stories, selected because of its intrinsic literary worth, reinforces the unique personal connection that fishing creates between man and nature.

There's always a risk involved whenever the promise of "greatest" is dropped into a title. Simply "great" or just "outstanding" won't cut it when the superlative is the target being cast to. Given that this is a collection of fish tales both fictional and factual, a little truth-stretching wouldn't be unexpected, but veteran outdoors editor Lamar Underwood will have none of that; he tries to wriggle

off the hook anyway, admitting his choices won't always match expectations. He didn't need to. His collection of 28 stories, covering fishing in its various forms, more than delivers on the titular pledge of utmost excellence. Just look at the contributors. Some, like A.J. McClane, John Gierach, Robert Traver, Roderick L. Haig-Brown, Nick Lyons, Ernest Schweibert, and Philip Wylie are firmly mounted in the pantheon of angling lit, while others--Hemingway, Thomas McGuane, Patrick O'Brian, Marjorie Kinnan Rawlings, and Zane Grey--are acknowledged trophy scribes. Their range--both as writers and anglers--is superb, and if the pieces aren't necessarily the writer's most famous or best, they are certainly, as a group, representative, beautifully written, and diverse in their approach. Not surprisingly, it's British Columbia's Renaissance man, Haig-Brown, who reels in the line of the book. In his tantalizing opening to "Sachem River," Haig-Brown captures the allure of great angling writing in a single sentence: "I have told this story before in different ways, but it is the best fishing story I know and it touches one of the loveliest rivers I know." Like every selection in *The Greatest Fishing Stories Ever Told*, it invites you to sit by the fire, coaxing you to read on as it thoroughly hooks you with its literary charms. --Jeff Silverman --This text refers to an out of print or unavailable edition of this title.

"Every once in a while, a book publisher comes up with a great concept for a series of books that deserve more than superficial recognition. Such a series is "The Greatest (fill in the blank) Stories Ever Told", anthologies that should win places on many bedside tables. On the long winter nights that lie ahead, such stories make great reading." --The Lexington County Chronicle

This book was Awesome! I bought for my Son, loved it!

Perfect

Arrived on time and as expected.

Gave it an ok only because I've only read about a third of the book. So far, so good.

Warning, Dont start reading this book unless you have plenty of time because you are sure to be hooked. I love the intro to each story which tells about the author and his body of work.

Bought this for my son who loves to fish. He really enjoyed the stories but enjoyed the Hunting book

even more.

Given as a gift and the recipient enjoyed it!

A gift and well received.
