Bill Dodd is a humorist who has written How to Survive Your 40th Birthday, Are You Over the Hill?, What You Don't Know about Turning 40, What You Don't Know about Turning 50, What You Don't Know about Turning 60, and The Joy of Marriage.Â He lives near Seattle.

Bought this for a coworker and it was the best gift she received. It had funny tips, sayings, etc. it was all jokes but make you think... hmm this book might be onto something for real!

Gave this to our law enforcement friend who retired after 25 years on the job. He loved it. His wife retired the same week, after having worked at a major department store for 28 years and she chuckles at it, too.

This should be updated to our times.

Very cute book - recommend highly as a gift for your friends who are retiring - and one for yourself to help you smile!

Very cute idea for a retiree new to the scene. We had a lot of fun.

Very cute gift for anyone getting ready to retire, my friend loved it!

Funny!

Greeting cards alone are nice, but I like to add a little something extra. This fit inside of the envelope with the retirement card along with a scratch-off lottery ticket.
