Before becoming the 1st Memory Master Champion on FOX's Superhuman Show, Luis Angel Echeverria was struggling in school because of his bad ability to Focus and Remember. He had a 1.0 GPA his Freshman year and ended his Senior year in high school with a slight increase to a 1.75 GPA. He then went on to learn how to improve his memory from his memory coach and raised his grades in college to a 4.0 GPA! See what other things Luis Angel has accomplished by improving his memory and the memory of thousands of others who struggle with retaining information. * 1st Memory Master Champion on FOX's SUPERHUMAN * Founder and Main Memory Coach at AE Mind | Accelerated Empowered Mind * Competed in the USA Memory Championship, Australian Memory Championship, Taiwan Memory Championship, Spain Memory Championship, and more * Memorized a 120 digit number in 5 minutes with Perfect Recall * Memorized a Deck of Cards in 2 min. with Perfect Recall * Was the Youngest American to Compete in the World Memory Championship * Coached the AE Mind Memory Team to a 1st Place Medal in the Numbers event at the USA Memory Championship * Started AE Mind Memory Clubs in Los

Angeles High Schools and in Universities such as UC Irvine and UC Santa Barbara. * Speaker for Schools, Organizations, and Companies to help students and professionals have a "Better Memory Now" * Author and Creator of the AE Mind: Better Memory Now Series --This text refers to an alternate Paperback edition.

Great book recommend it to everyone who wants to learn to use their brain better than ever thought possible

This book is amazing for anyone who has any interest in proving their memory. I watched the author win the SuperHuman show on Fox and I also listen to his podcast. He is amazing.

Luis booj is a good read ans his techniques arw great! Enjoyed it very much! Thanks! Brad Carr

Luis Angel is a memory champion like no other. He is very sincere in his mission to help others and with this book he does exactly what the title mentions. He shows you how to memorize effectively and easily. I had the pleasure of watching him compete in tournaments and win titles with his powerful memory. I mention this to show you that he uses everything he teaches. If you want to improve your memory then this book is an absolute must.

This guy does not fail to deliver, I've been following around his books and I'm pretty impressed. There's a lot of depth to this book but what puts the icing on the cake is that it's a fairly easy read. If you're looking for a book that'll add value in every level of your life then this is that book. Personally its the best memory book I have ever read.

One of the best memory books out right now. Luis has a lot of insight in this world and it was great to learn from him and his experiences as a memory athlete.

This book taught me how to incorporate memory tools in my business and also my relationships. It has significantly improved my ability to remember things which has made me become more organized. I highly recommend this book for improving your ability to master your memory!

Loved the book, especially if you would like to get a better memory. Challenging your mind mentally is important and so as making it stronger. This is the book to help your mind grow stronger, faster,

and smarter.
