Life-Changing Salad Dressings: In 3 Minutes Flat (Grace LÃ©gÃ©re Cookbooks Book 2)

Synopsis

Flavor is at the heart of this cookbook and it will put more than 40 lip-smacking salad dressing recipes at your fingertips. Grace LÃ©gère shares her favorites which range from the classic to the unique and exotic. Make her garlicky Sicilian "Cupboard" Dressing, or freshen things up with her recipe for Citrus Dressing. Family and loved ones will rave over a simple salad when Grace's Creamy Honey Mustard with Fresh Herbs dressing is on it. With a bowl, a whisk, and some simple ingredient preparation, these dressings go together in a flash. All can be enjoyed right away, or conveniently refrigerated to enjoy meal after meal. Fresh dressings are tastier and better for you...and you might never buy a bottled dressing again! Use them on leafy salads, vegetables and fruits, as well as on sandwiches or as dipping sauces. You'll be delighted by her flavor combinations and will probably be inspired to come up with a few of your own. "I wish all of my meals were as delicious and easy to make." So many recipes, and so easy!! I'm not much of a cook, but this little guide makes me feel like there's hope! Truly, in just a few steps and ingredients and you can make such delicious and flavorful dressings. If you like salad like I do, this book is a gem to have on your shelf (or Kindle).

Wonderful well written collection with good serving suggestions

What more can I say. I wish all my meals were as delicious and easy to make. If only I could whip everything up in 3 minutes. The Balsamic Dressing is sure to be a family favorite. I look forward to Ms. Legere's next step into the culinary world. Keep the books coming.

Looks fine haven't used yet

This book claims you can make salad dressing in 3 minutes. I found it took a half hour, by the time you assemble all the ingredients. Too many ingredients, should be much simpler.
