The Shifter's Secret Twins

Synopsis

What do you do when your one-night stand turns out to be your new shifter doctor? Single mom Lana Flores needs a distraction. Badly. So when she meets a hot and bossy guy twenty years her senior at a ball, she doesn't think twice. Shame she'll never see him again after their hot night together. Until she meets her new doctor. Simon Wolfe is a world-renowned doctor leading a breakthrough study using shifter blood. Plus he's a shifter himself. An incredibly gorgeous one. In the bedroom, he is king. The only women he doesn't sleep with are his patients. That would be so unprofessional. Until Lana. She's way too young for him. Not to mention his patient. But she makes his Wolf howl. She needs his help though. And not only because he's the best doctor. Her cute little twins have starting shifting into wolf pups. Apparently the sperm donor was a shifter. Maybe the doctor can help track him down? But Lana and Simon are in for a surprise. And before they know it, all bets are off! | This is a 109-page stand-alone paranormal story with BBW, shifter, and action elements. It has an HEA, so no cliff-hangers! This is a HOT story with mature themes and language. Most definitely for 18+ readers only.

Customer Reviews

I am voluntarily reviewing an advanced reader copy of this book that i received. What a great read

this was. I loved the characters and the plot in this book. The background information was pretty incredible! The emotional roller coaster that Lana and Simon found themselves on had me turning page after page until the end. Definitely a book that i would recommend! Received an ARC but purchased it as well :)

loved this sweet story. Lana is a single mother raising twin girls. She goes to a party with her sister and meets an amazing man. Recently diagnosed with cancer she spends the night with him. Then she goes to see a new doctor for her cancer treatment. Lo and behold it's the man from the party. What a twist. How will this turn out? lots of twists and turns. Surprises too! I couldn't stop reading it.

Enjoyed reading this book and reading about the characters and their story. Looking forward to reading more from this author.

Descent collection of stories by an author I've never heard of, I will be looking for other regular length books, not shorts.
