# Dirty Italian: Everyday Slang From "What's Up?" To "F\*%# Off!" (Dirty Everyday Slang)

## Synopsis

GET DIRTY! Next time you're in Italy or just chattin' in Italian with your friends, drop the textbook formality and bust out with expressions they never teach you in school, including: Cool slang Funny insults Explicit sex terms Raw swear words Dirty Italian teaches the casual expressions heard every day on the streets of Italy: What's up? Che c'è? She's got killer legs. Le ha le gambe da morire. Get the fuck outta here! Sparisci! I'm so plastered. Sono demolito. I gotta piss. Devo pisciare. Your team sucks! La vostra squadra fa schifo! Wanna have a quickie? Facciamo una sveltina?

When you learn another language you learn the "proper" words. When you go to another country you hear the everyday street language, words which are usually not taught in class. Just like in your native language the words used in other daily street languages change over time. Learning the street language takes just as much time and effort as learning the "proper" words, phrases, & sentences but is generally more fun. This book is an excellent first book for learning the necessary street language or to update your knowledge to know if you are being given directions or an insult. Linguistics & languages are my hobby so I use a lot of language learning materials. This book is definitely prominently situated on my bookshelf. I highly recommend it.

Sometimes being a student of a new language can be taxing on your self-confidence! "Dirty Italian" actually has real grammar lessons & drills; gave me the correct Italian grammar for the "dirty" phrases I already learned from my southern Italian family; and made me smile! It is small enough to put in my pocketbook & read on the subway. It's a perfect book if you need to "lighten up" on your Italian skills!!! Enjoy

I am Italian, and always wanted to know some of the "spicier" phrases of the language. I don't speak Italian, save a few of the common words. This book contains, not only, the naughty expletives I have heard other people who speak fluent Italian use, but also some of the more congenial phrases. It's a fun book. Now I can say naughty things in Italian and it sounds beautiful instead of crassness of the same words in English.

An interesting combination of history, culture, tips, and phrases. You will definately not be bored reading this book. I live in Italy and have learn many of his cultural tips the hard way. The phrases will be just as helpful as what you can find in a more formal intro to Italian guide book, but far more memorable. Each chapter covers one location (i.e. coffee bar, market, airport, etc) which is very helpful if you are gearing up. Some of the phrases are a bit outdated, and I wish it was a bit more extensive, but I laughed and learned way more than any other Italian book I have picked up.

Great Product

Laughed A lot while Learning

Perfect gift

What grandpa and grandma never told you !
