A fantastic way to get more involved with the word of God!

Very good devotional...bought for friends also, they love it!

I have a hard time focusing when I finally get a quiet moment to be in the Lord's presence and this is exactly what I need to put my focus where it needs to be.

I bought this for four friends because I love the one my daughter got for me.

The best way to start a day with a devotional by a gifted woman who leads into Scripture and seems always just what I need to deal with.

Excellent devotional! I've read it daily for several years, and highly recommend it to others.

Wonderful devotional. Extremely well written.

The devotional I've ever had.
