Flash Cards: Addition

Synopsis

Give your child a head start in math with these double-sided, self-checking Addition 0–12 Flash Cards. Each side of the cards features an addition problem with addends that range from 0 to 12. Answers are on the reverse side. Perfect for group or individual play! For use with Grades PreK-3.

Customer Reviews

I had hoped this would only have problems on one side so that one should finish that problem you could put the card away but that wasn't the case there were problems on both sides so it was very confusing for the child.

My grandson loves these
