Philip Steele has a passion for writing about history. He is a well-known author of more than one hundred children's books, including Castles, Pirates, Knights, The Best Book of Mummies, The World of Pirates, and The World of Castles. He was a student of medieval French and German literature, and has visited castles in England, France, Germany, Spain, and Poland. Bought this Book sight unseen for the full asking price ... and so I could qualify for the free shipping. Not reading the fine print that this was a children's book. Opps! Although a very nice reference book, buy it at a discounted rate if You care to add it to Your Library!
