Customer Reviews

I have purchased about 20 of the Pathfinder Map Packs and Flip Mats. They are all very high quality. The paper that they are printed on is incredibly thick and rugged. We play D&D on our yacht while sailing around the Caribbean and even in the hot humid environment these look like they will last for years. We are very pleased with these maps, they are a real benefit to our games and make my job as DM so much easier. We have a printer on board so could download (or create from scratch) and print our own maps, but why bother. These maps are such a great quality that it would be a waste of my time to try and do it myself. I will be purchasing (many) more. The Bigger Tavern is 9" longer than most Pathfinder Flip Mats. One side is an exterior view while the other side shows interior view of a large tavern (50'x70') with a stable (35'x60'), a 12 room Inn (40'x100'), and more.

This is not your typical roadside inn, this is a major stopping point along a well traveled highway.

Great product, good graphics and good quality. Much better with detail than I can draw using dry erase.

Very good!

awesome

HUUUUUGE Tavern! One side shows the buildings with the roofs on, the other side is a cutaway with roofs off showing the interior. This tavern is really a mini complex with a stable and blacksmith buildings as well. Why only four stars? There is no outhouse or bathroom anywhere despite having bed space for a couple dozen people not to mention the huge bar area. If anyone from Paizo reads these reviews, please remember the potty area, it's a great place to ambush someone, especially if the usually wear armor!
