## Synopsis

You're not here for a long time, just a good time and Insiders' Guides show you how. All of the detailed information you need is here about restaurants, shopping, sightseeing. All information has been gathered personally, not found on Wikipedia and such like, that's what makes our Insiders' Guides unique. This is a must have volume for anyone really wanting to make the most of their Oktoberfest holiday. Colour photographs throughout. The author visits Munich several times a year for over 18 years so she knows this subject well. Who hasn't dreamt of visiting the World's biggest beer festival some day? Written by Oktoberfest expert Yvonne Salisbury, it provides reviews, photographs, and advice for every beer tent, plus tips on where to eat, shop and sleep and what else to see and do in Munich. I have visited the Oktoberfest for 18 years. It's so big that it's impossible to see it all in a single day • says Yvonne Salisbury. Twelve thunderous guns salute the beginning of the Oktoberfest and the Mayor taps the first barrel to the cry à œOâ™zapft istâ•. The waiters bring the first steins of beer, the bands start the music and the mighty Ferris wheel begins to turn. Finally, the world's biggest festival has begun. For 16 days everything in Munich revolves around the Oktoberfest. Updated March 2014.

## Customer Reviews

VERY short Kindle guide to Munich's Oktoberfest. This is one of those things that popped up in my recommendations when I ordered a few German quidebooks. It was worth the \$0.99, if for no other reason that its revelation that Oktoberfest actually begins around September 20th -- key information if you are trying to avoid Oktoberfest. Otherwise, it's a helpful collection of facts to have on your tablet, but you will need a more substantial guide as well, even if you are just in Munich for a few days.
