AA Street By Street Cardiff, Newport: Midi

Synopsis

A new edition in the AA's ground breaking series of "Street Atlases", covering Cardiff and Newport in a handy glovebox size. With an enlarged scale for city / town centres, this really is Britain's clearest street mapping. The atlas uses the latest digital data for Britain from Ordnance Survey and the AA and also includes National Grid Referencing as used by the emergency services. All of the maps clearly show recommended restaurants, hotels, one-way streets and car parks with 24-hour petrol stations now highlighted. Featuring a clever use of colour to ensure they can be read under street lighting, these maps are all you need to keep you on the move.
