Wedding Planning For Dummies

Synopsis

The bestselling wedding planning guide—now updated! Congratulations, you're planning a wedding! Besides obtaining a fancy tuxedo and a stunning gown, organizing a wedding ceremony takes creativity, planning, and diplomacy. The whole ordeal can seem overwhelming at first, but with lots of guidance, you'll plan a wedding people will remember for ages. *Wedding Planning For Dummies* demystifies and simplifies all the details that go into the Big Day, providing inspiration and innovative ideas to personalize your wedding celebration and, of course, make it fun for everyone—especially you! Expert wedding planner Marcy Blum walks you step-by-step through everything you'll encounter as you plan your wedding, from choosing a reception site to picking a photographer—and everything in between. 20% new and updated content Keep track of expenses with a wedding budget Negotiate contracts and surf online for wedding deals Get those pesky financial technicalities out of the way Plan a weekend wedding, a themed wedding, same sex wedding, and other celebrations Plan for various wedding customs and rites Throw a great reception with music, food, drink, and cake The 4-1-1 on the latest and greatest trends in wedding registries, rings, photos, and the honeymoon Packed with tips for saving money and common kitsch you should avoid, this is the ultimate guide to satisfying everyone on the Big Day—while making all of your fairytale dreams come true.

Customer Reviews

Content with product. Prompt service.

I'm from a small town in the midwest, and while the book was somewhat helpful in understanding

broader ideas like wedding etiquette and wording on invites, it wasn't as helpful as I had hoped. It was almost too comprehensive and too overwhelming for someone like me, who just wanted to make sure I had all my bases covered.

My wife and I used this book 16 years ago to plan our wedding. It was an enormous help in putting all of the details together for the wedding we really did have in mind. Since then we have sent our copy to friends and relatives getting married. We just ask the recipients to sign the book when they send it back to us. We bought this copy to help out one niece while another niece is using ours. Both are finding it as helpful to them as it was to us.

good info

This is a comprehensive guide to planning larger and more elaborate/expensive weddings. As I read it it seemed most appropriate for those living in large cities, those who plan to spend a great deal of money, etc. Not helpful for simple weddings, but probably very helpful for those trying to manage the process of putting together a more lavish affair.

Helps a lot with the wedding planning and everything you need to do... But there is also a lot of unnecessary things written in this book. I just wish it was strictly an outline of what to do so I didn't have to spend so much extra time reading the entire thing.

Easy to read with all the essential information needed to plan your wedding. I like the no nonsense style and very direct advice. This book covers everything from dealing with tricky family dynamics to how much booze to order for the bar. Bridal looks and wedding invites....you name this book has it covered.

I downloaded this book to my kindle and I am glad that I did. I am planning my own wedding and this book helped me through ordering my invites and many more. I also like this book because they include all cultures and couples including those that live in the 21st century.
