Messianic Judaism Is Not Christianity: A Loving Call To Unity

Synopsis

The apostle Paul wrote that all believers--Jewish and Gentile--are to serve the Lord together as "one new man." But a growing movement today seeks to keep that from happening. As Stan Telchin explains, proponents of Messianic Judaism are confusing both Jewish and Gentile followers of Jesus and dividing the church. Their insistence on following rabbinic form and their statements that Jewish believers need to be in Messianic synagogues in order to maintain their identities are unbiblical. Telchin discusses the growth of this movement, its unscriptural doctrines, and its ineffectiveness in Jewish evangelism. Those who have been swept up by the nostalgia and beauty of "Jewishness" or who have been hurt by division in the Body or who love Israel will find their hearts and minds freed by this firm but loving message.

Customer Reviews

At a time when many religious folks are being drawn away from pure devotion to Christ and

underestimating what he accomplished in his life and death, this book is a MUST READ.

After getting caught up in the Hebrew roots movement, I found his explanations right in line with my own observations. This book helped me define the extreme theological weakness of the movement.

Having read Stan Telchin's first two books, I could not wait to read this one and I was not disappointed. He has an interesting, simple way of explaining a complex subject and proves his point from the scriptures themselves.

This was a terrific read. This is a must read for every Messianic person. It's high time they hear the other side of the story.

This gives insightful information into the Messianic movement. All need to realize that Jesus is the Messiah the Jews have been waiting for, but Gentiles do not need to become Jews. The one point that needed to be nailed down is that Jesus is not only the Messiah to Jews and Savior to Gentiles, but He is our High Priest to both Jews and Gentiles. We are no longer, and the Jews are no longer, under the priesthood of Aaron. We are all one in Christ.

Product arrived quickly and was as described. A great transaction. Thank you so much.

THIS BOOK IS VERY ENLIGHTENING!

I learned a lot by reading this book. I had had a wrong belief of Messianic Judaism. Thanks for your help.
