Colonel Heg And His Boys: A Norwegian Regiment In The American Civil War (Travel & Description Series, 13)

Synopsis

English edition. The many personal accounts from the battlefields, by the soldiers of the Fifteenth Wisconsin Regiment, penned in letters to family and friends, remain a most evocative and moving contribution to Civil War history and valuable primary source material to a wrenching national experience. These intimate narratives relate both the horrors of the conflict and the loyalty of the young men, many of them recent arrivals from Norway, to what they consistently refer to as "our new fatherland". When he produced the book in 1916, Ager wished to convey to a generation of Norwegian-Americans the significant contribution that their recent ancestors had made to American history. This new translation passes those stories along to their grandchildren, great-grandchildren, and beyond.

Book Information

Customer Reviews

Text: English (translation) Original Language: Norwegian

This book chronicles the experiences of the 15th Wisconsin regiment, comprised almost entirely of recent Norwegian immigrants to Wisconsin. Large portions of the book involve letters written by soldiers. A consistent theme is the standard Norwegian Lutheran outlook on life - "it could be worse." A very engaging read, especially since one of my ancestors served in the 15th and later moved west to my home state, Minnesota.

I was looking for a book that offered a look into the experiences of the Norwegian immigrants that served in the Civil War under Colonel Heg, as I had a great great uncle who was killed while serving in the regiment. The book provided a personal reflection from the soldiers themselves thru letters and diary entries. The book came in perfect condition in a very timely manner.

the book was in perfect condition and arrived as fast as I would have expected. I wish I would have known that it did not contain all the photographs that the online edition contained -- i.e. My great great uncle's photo -- which is the reason I wanted to buy it.
