Paperback: 140 pages

Publisher: ReadHowYouWant (November 28, 2008)

Language: English

ISBN-10: 1427072663

ISBN-13: 978-1427072665

Product Dimensions: 7.8 x 0.3 x 10 inches

Shipping Weight: 12.8 ounces (View shipping rates and policies)

Average Customer Review: 3.4 out of 5 stars 6 customer reviews

Best Sellers Rank: #11,013,165 in Books (See Top 100 in Books) #71 in Books > Travel > United States > Mississippi #5009 in Books > Biographies & Memoirs > Regional U.S. > South

Customer Reviews

Mark Twain began his career in letters as a printer's apprentice at the age of 12. He worked as a typesetter and hack writer until a trip down the Mississippi inspired him to become a steamboat pilot. Twain was a popular humorist, a failed silver miner, an inventor, a pacifist anti-imperialist, and a vegetarian. He had a strong interest in the paranormal. Twain's novel *Huckleberry Finn* has profoundly influenced the development of American storytelling.

Mark Twain is one of America's greatest storytellers! His style is eminently readable whatever the subject from his "biography" of Saint Joan of Arc to his classics. These stories of his adventures as a young man on the mighty Mississippi are filled with wonderful anecdotes.

Mark Twain, how can you go wrong? This is a series of essays (non-fiction), in roughly chronological order, of the period of his life in which he was a steamboat pilot on the Mississippi. It

is early writing but show the inimitable Twain style. I recommend it to anyone who is interested in this period of his life.

This autobiographical work was used as a rough draft for Mark's Life On The Mississippi. It pulls the reader along by the lapels to the end. I have read must of Mark's published works over the past 60 years, always imagining I could put myself in his shadow. No other American humorist can equal his sense of "style".

Obviously no one edited this. Chapters start mid-sentence, this might be a rough first draft or the outline, maybe letters sent to his editor for review? If you want an interesting account of Mark Twain's experiences as a pilot on the Mississippi, get "Life on the Mississippi" by Twain. Shame on whoever released this. Not worth 1 cent, much less \$2.99.

They are worthless. Terrible quality fantastic value and quality product you won't go wrong for the price I'll definitely get a lot of use out of this item. I am very fond of. Beyond my imagination, I think it might be bad. But when I received, I am very satisfied. Great product, most people do not believe I'm in the at such a low price to buy it. Good bargain to i will be buying a few more sets.

Of course I didn't take the time to look at at the 3rd view that showed the very tiny size, but they were way too small for a class of high school students. I returned all 66.
