The 10-Year Reunion

Synopsis

Enjoy this fan-favorite story of blind dates, high school reunions and unexpected romance from #1 New York Times bestselling author Susan Wiggs, originally published as HUSBAND FOR HIRE in 1999. Beautician Twyla McCabe was voted most likely to succeed in her high school graduating class, but a run of bad luck forced her to give up her dreams of college and a career. Now a widow with a six-year-old and essentially Dear Abby with a blow-dryer, she longs to show up at her ten-year school reunion with a date she can show off. But when her well-meaning customers arrange for her to attend the Hell Creek High School Reunion with Rob Carter, M.D., Twyla knows theyâ™ve gone too far. Who would believe a woman who dyed hair for a living could be engaged to such a hunk?

Customer Reviews

Another great story by this very talented author. I have enjoyed reading her other books and I look forward to reading more of them.

Loved this book. Excelent cast of characters and lots of ups and downs. Going back to the 10 year

reunion was fun. Great read!

This was a very good story with a happy ending. I felt it ended a little too abrupt. I would like to have read more.

I loved this book and did not want it to end. I fell in love with the characters. I need to know what happens next.
