Project Manager's Spotlight On Risk Management

Synopsis

Clear-Cut Ways to Manage Project Risk If you're a typical project manager, you're probably aware of the importance of risk management but may not have the time or expertise to develop a full-blown plan. This book is a quick and practical guide to applying the disciplines of proven risk management practices without the rigor of complex processes. Part of the Project Manager's Spotlight series from Harbor Light Press, this straightforward book offers solutions to real-life risk scenarios. Inside, best-selling author Kim Heldman highlights critical components of risk management and equips you with tools, techniques, checklists, and templates you can put to use immediately. By following a realistic case study from start to finish, you'll see how a project manager deals with each concept. Ultimately, this book will help you anticipate, prevent, and alleviate major project risks. **Project Manager's Spotlight on Risk Management** teaches you how to

- Look for and document risk
- Anticipate why projects fail
- Prevent scope and schedule risks
- Analyze and prioritize risks
- Develop, implement, and monitor risk response plans
- And much more!

Required book for Project Management college class. Has good information on project risk management.

Risk management can be a tad dry but this book made it interesting. The case studies were entertaining and reinforced the processes.

The book is in excellent condition!

Great book to read for insights on risk management

The book is full of material that will assist me in Project Management.

Very cheap and almost new \$4 including shipping.

El libro fue enviado a tiempo y en muy buenas condiciones, lo unico que debe especificarse en la pagina de Amzon, es el tipo o calidad de Hoja del libro para asi hacerse una idea de la calidad, sin embargo la compra cumplio con mis expectativas

It was exactly what I needed
