101 Surprising Facts About St. Peter's And The Vatican

Synopsis

What do you really know about Vatican City? The Vatican, comprising the Apostolic Palace, St. Peter's Basilica, and various other buildings, serves as the headquarters of the Catholic Church. It has done so for nearly two millennium ever since the first Pope, St. Peter, made it his home. Thousands of Catholics flock to the Vatican and its iconic basilica each year. But what do you really know about this great basilica and the city that houses it? Here, Father Jeffrey Kirby takes you on a whirlwind tour of this little country (yes, Vatican City is its own country, Fact # 2) and uncovers the secrets and surprising facts about the city, and its famous church. Discover what language degree you need to work a Vatican ATM, what architectural feature of St. Peter's is a map of the universe, and even what the pope's license plate number is. Along the way, you'll find the deep theological meaning woven into the design and architectural features of St. Peter's Basilica and Vatican. Whether you've already been to Rome or are still planning your first trip, 101 Surprising Facts About the Vatican will transport you to Basilica and City at the heart of the Catholic Church and enable you to appreciate them like never before.

What do you really know about Vatican City? The Vatican, comprising the Apostolic Palace, St. Peter's Basilica, and various other buildings, serves as the headquarters of the Catholic Church. It has done so for nearly two millennium -- ever since the first Pope, St. Peter, made it his home. Thousands of Catholics flock to the Vatican and its iconic basilica each year. Even if you haven't

visited you've likely watched with bated breath for smoke to rise from behind the cupola during the election of a new pope, or have laid eyes on the new pontiff when he emerged from the balcony for the first time. But what do you really know about this great basilica and the city that houses it? Here, Father Jeffrey Kirby takes you on a whirlwind tour of this little country (yes, Vatican City is its own country, Fact # 2) and uncovers the secrets and surprising facts about the city, and its famous church. Discover what language degree you need to work a Vatican ATM, what architectural feature of St. Peter's is a map of the universe, and even what the pope's license plate number is. Along the way, you'll find the deep theological meaning woven into the design and architectural features of St. Peter's Basilica and Vatican. Whether you've already been to Rome or are still planning your first trip, 101 Surprising Facts About the Vatican will transport you to Basilica and City at the heart of the Catholic Church -- and enable you to appreciate them like never before.

Father Jeff Kirby is a priest of the Diocese of Charleston. He holds a Licentiate in Moral Theology from the Holy Cross University in Rome. As the diocesan Vicar of Vocations for the past several years, Fr. Kirby has guided numerous young men and women in the spiritual life and in the process of discernment. Drawing on these experiences, he wrote the book *Lord, Teach Us To Pray*. In 2011, he founded the Drexel House, a Catholic Residence for Men.Â Â

Having visited the Vatican many times I found out info that was new to me.

So I got this for my 12 year old son before we went to Italy and he devoured it. He was able to give our tour guide info that they didn't know! after we got back, I started reading it and it really is full fantastic info. Easy to Read and interesting info. Must have if you are planning a trip to the Vatican.

I bought this for our oldest daughter who lives in a "single for the Lord" community -- but I have very carefully looked at various parts of this book. It is beautifully put together with so many full color pictures. I know she is going to love it. I think I need one for myself!

I was there at the Vatican March 2017. Now this book is informing me what I was looking at for 3 days. Love this book for the pictures and details about the history of everything I saw there. If I go to Italy again this book is going with me.

So interesting, I read it cover to cover one night.

Beautiful photos!!

I love all the interesting information available in so many books. Great variety and professionalism.

Thank you.

really great information
