Batman Vol. 2: I Am Suicide (Rebirth)

Synopsis

Tom King continues his epic run on the Dark Knight in **BATMAN VOL. 2: I AM SUICIDE!** Still reeling from the events of "I AM GOTHAM," the epic first arc in Tom King's brand new BATMAN series, the Dark Knight finds himself up against some of the biggest (literally) threats he's ever faced within the city limits of Gotham. To save the city he loves, Batman enlists the help of the toughest members of the Bat-family including Nightwing, Batwoman and more! Also in this volume, Batman must take on some familiar foes who have stolen something from Gotham--and the Caped Crusader's limits will be tested as he fights to get it back. Breakout writer and former CIA analyst, Tom King (GRAYSON, THE SHERIFF OF BABYLON) is paired with superstar artists Riley Rossmo and Mikel Janin in this knock-down, drag-out superhero story! Collects BATMAN #9-15.

Customer Reviews

“Snyder indelibly defined the Dark Knight’s previous era, but King proves a worthy successor as he takes over the title for DC’s wildly popular Rebirth initiative. **BOOKLIST** “[Tom King] crafts an incredible story. **NERDIST** “A clean, simple gateway into the Batman franchise **IGN** “King sets a new stage and tone for Batman and Gotham. **POPMATTERS** “Sank its hooks into me and kept me thinking about it long after I had finished reading. **NEWSARAMA**

Tom King is a comic book writer and novelist, best known for his work at DC Comics including GRAYSON and OMEGA MEN. He often relies on his experience as an ex-CIA agent and experiences during the recent conflicts in the Middle East in his writing, especially apparent in GRAYSON (alongside co-writer Tim Seeley), OMEGA MEN and in SHERIFF OF BABYLON, published under the Vertigo imprint.

The writing is excellent. The theme is compelling. The art is breath taking. I can't imagine an improvement to this formula. I do have one gripe and that is the volume concludes without mention of Gotham Girl, the sole purpose of its beginning.

Some of those issue are quite amazing and as good as vision and sheriff of Babylon. Other are just ordinary, plagued by simple solutions and deus ex machinas... overall, the writing is still very good, even if frustrating sometimes. The art is amazing.

Both stories within this book were incredibly good, particularly the main story where Batman essentially recruits his own suicide squad from Arkham to take down Bane!

loved it

Well written comic. Batman is portrayed as witty and a complete detective genius as he should be.

Good

Great book.

4 stars same as I gave vol 1. I'm enjoying Tom King's run so far. The main arc I am in is suicide was 5 parts I believe. Kudos to the artists. Special shout out to colorist June Chung...there are some excellent scenes with Bane in the prison. Vol 2 ends with a two part Catwoman epilogue of sorts. Excellent.
