Men's Clothing & Fabrics In The 1890s: Price Guide (A Schiffer Book For Collectors)

Synopsis

By today's standards, men wore formal dress every day in the 1890s. The color lithographs and line drawings of men dressed for work that are shown here bear striking contrast to men in the streets now. That very fact makes these clothes more than interesting today, they are actually time capsules for the lifestyle of a century ago. Heavy woolen cloth that has lasted a hundred years, and practical styles that were always comfortable and smart-looking bear witness to the time before automobiles and electricity. Now they have become antiques themselves. The hundreds of cloth swatches that appear have subtle patterns and plenty of texture to withstand much use. Vintage clothing collectors and designers will marvel at their variety.

Book Information

Series: A Schiffer Book for Collectors

Paperback: 112 pages

Publisher: Schiffer Publishing (September 1998)

Language: English

ISBN-10: 0764306162

ISBN-13: 978-0764306167

Product Dimensions: 0.5 x 8.8 x 11 inches

Shipping Weight: 12.6 ounces (View shipping rates and policies)

Average Customer Review: 5.0 out of 5 stars   2 customer reviews

Customer Reviews

Roseann Ettinger is fascinated with the history of fashion; she owns Remember When vintage clothing store in Hazleton, Pennsylvania, and has written many books on twentieth century clothes and jewelry.

Wonderfully detailed. Excellent resource on turn of the century men's wear.

What a beautiful, detailed resource! I design costumes for theatre and this was extremely helpful. Every rendering was labeled by year, and the fabric swatches were so helpful as well!
