Customer Reviews

In the first half of the book are 20 Chibi characters drawn in 7 steps with no verbal instructions. The second half has a full page of a character for coloring & a couple paint - by - number pages. Will update later as to whether or not it helps my niece draw.

it is great for children and easy for my niece 9 years old to understand and copy the steps

Bought this book for my 7 and 9 year old daughters and they love it. Instructions are clear and they can follow them.
