Belize Marine Guide

Synopsis

Reef Fish, Sport Fish, Marine Mammals, and Sea Turtles. Take this guide along with you to Belize, slip it in your pocket or pack, and you'll be able to identify the sport fish and those beautiful tropical fish. You'll be able to look up the sea turtles you see, and try to name the whales and dolphins which frequent the shores of the Caribbean Sea off Belize. Illustrations are done by two of our highly regarded artists who are specialists in their fields. Uko Gorter for marine mammals and Sea Turtles. Alina SuÃ¡rez for reef and sport fish. Illustrations are accompanied by the English, Spanish, and Latin names for each critter. Highly portable waterproof full color scientifically reviewed illustrations of the diversity of Belize Wildlife. When folded, the guide is only 3.5" (9cm) by 8.75" (22 cm). It contains twelve 9cm by 22cm "pages" plus front and back cover pages, and when spread is approx. 24" (61cm) by 8.75" (22 cm) Our marine guide is the perfect companion if you're a naturalist or an adventure traveler.

Customer Reviews

Rainforest Publications specializes in the Wildlife and Natural History of Central and South America. Our wildlife guides are the perfect companion if you're a naturalist, bird watcher or adventure traveler. Our illustrators live in Costa Rica and are tops in their field of interests. Our scientific staff continually updates the guides so the information is complete and accurate. Our print company is locally owned by its employees. Our guides are printed in the US on recycled paper.

Nice layout and the pictures were pretty true to form for what we saw on our trip. We enjoyed reviewing each night after snorkeling and diving and marveled at all the marine life we saw.

Great info in compact form. Coating allows it to go near the water with no damage.
