After getting this book I save a huge amount of restaurant bill and also serving delicious and healthy food to my love ones. A lot of important information has been provided in this book. By reading this book I've learned some delicious recipes. The recipes are simple and meals are prepared in minutes. I would highly recommend to read this book everyone.

Absolutely in love with this cookbook! I've just moved out, and I really needed some recipes. The

problem is that I don't like cooking. So, what's the alternative? Mine was to just use a crock pot and feast when it was done. Anyways, this book makes everything pretty easy. Also, there are some really creative recipes in here! It's a 5/5 for me!

I love this instant pot cookbook. Most of the recipes in this book is what my family enjoyed to eat. I am glad i had this instant pot cookbook. With this cookbook, I can try some new recipes that we never try before. I can't to try and share it to my family. Highly recommended!

I liked the recipes in this cookbook, specifically the sauces recipes as I'd like to learn how to make sauces from scratch and saw barbeque, Tabasco, and pizza sauces in this book! And it can be quickly made as per the instructions. So overall, it is a good cookbook.

Instant pot is a perfect solution for your every day life this will give you a hassle free life and make your food in a short time and you can store them for a long time too. In this book you will find some great recipes you can try with instant pot recipes.

I'm a working mom and been busy every day so I wanted a cookbook which will help me to prepare quick meals using this Instant Pot Cooker and I'm thankful i found this book. I will download this book one of these days.

I havent really prepared any instantpot dishes and So i got this book to check out if there are some new interesting recipes and yes, the book delivers it well. The are well explained and instruction for preparation are easy to follow. I am planning to prepare some of the dishes very soon. A recommended cookbook if you are planning to prepare some new recipes or add new touch to some classics.

It is full of guideline about instand pot, i don't know how to cook but through this one i can do it easy. There are some recipines easy and delicious . I try to cook some already , soo good.
