Language: English

ISBN-10: 0131163701

ISBN-13: 978-0131163706

Product Dimensions: 7.6 x 0.7 x 9.4 inches

Shipping Weight: 1.6 pounds (View shipping rates and policies)

Average Customer Review: 4.3 out of 5 stars 11 customer reviews

Best Sellers Rank: #163,071 in Books (See Top 100 in Books) #165 in Books > Teens > Education & Reference > Foreign Language Study #424 in Books > Reference > Words, Language & Grammar > Reading Skills #427 in Books > Textbooks > Education > Secondary Education

Customer Reviews

The students enjoy it, but it's not always the most practical. Some of the vocabulary is silly and impractical (I had not seen some of the terms ever or often before teaching with this book and I have a doctorate in Latin!), but the continuous story and cultural lessons engage students. It can benefit from a but more grammatical explanation, but I've enjoyed teaching with it and the students have a lot of fun with it.

The Ecce Romani series is particularly good for teaching Latin to 7th - 10th graders. The format is "kid-friendly" and provides enough interest to keep most kids motivated to move forward. The lessons are the story of a Roman family - Dad, Mom and son (Marcus) and daughter (Cornelia). The kids have various friends and we get to learn about the activities of their servants (and how the kids annoy them) and the various things the family does on its way to Rome. Each chapter is short - has a good number of new words - and many opportunities to translate. Lessons and activities are included for each chapter (declensions, cases, etc.) as well as interesting facts about Rome, the gods, way of life, etc. The back of the book contains a Latin to English and English to Latin vocabulary

dictionary of words from the book. There is also a pretty decent pronunciation guide and an index indicating where particular grammar concepts can be found. The series moves at a good pace but older high school students (starting latin in 10th or 11th grade) might find the stories in the first book tedious. If the program is started in 7th or 8th grade, this series is one of the best!

A little on the expensive side for a book but just what I needed to help me learn Latin.

Excellent Latin program. My 10 y/o loves it. Fun stories and not too overwhelming.

I needed the book for school, however, I enjoy the colorful pictures and that I can study when I want now that I have the book. Buying through was very efficient and had my book in days.

Great

The book is in ok shape, but for the price, cannot be beat. all pages present, and the textbook meets my expectation.

Purchased required book for my son whose in high school
