Customer Reviews

It has the type of swear words and phrases that I would use. A lot of the others had words or phrases that didn't seem as common to me. So glad this one had ones I could relate to! The images

to color take up almost the entire page. To me, it's worth the money.

I am not one to swear, although I would like to. This helps me get that out.

Pictures are very similar and kind of look like enlarged copies.

I bought 3... One for me & 2 for friends! I've really enjoyed it!

Hilarious. Gave these out as x-mas gifts, haha.

Fantastic when have a bad day.

Perfect.

Best thing in the world. Just remember to back it with paper when you color with ink. The pages do bleed through. Some page lines were not as crisp and clean. But I still love it anyways!! I like to color in general, but it is a great way to relieve stress. Helps you control emotions.
