FAR Part 107 Explained: A Definitive Guide For Serious Drone Pilots (FARs Explained)

Synopsis

If you're a serious small UAS pilot flying your drone for compensation in the U.S., the FAA's FAR Part 107 provides a long list of rules and regulations you'll be required to follow. Written in typical government legalese, Part 107 isn't always easy to understand. That's where this book can help. It provides the full text of FAR Part 107 with easy to understand explanations of each section and paragraph. With links to other resources online and cross-reference links to book content, this book will answer all of your questions and get you on the right track to becoming a commercial drone pilot.

Book Information

File Size: 1107 KB

Customer Reviews

Every Drone Owner should read this book. Very good knowledge to have as a Drone Pilot no matter what you intend to use of your Drone.
