Very good seller, Good Item description.

Bought it for my wife, and she passed her exams.

This workbook is an awesome learning tool. The lessons have helped to enhance my son's vocabulary by using context clues to find the meaning of a word in a sentence.

Ok I guess, but had quite a few markings in it could not use it for what we wanted to

The text arrived promptly and ahead of schedule. The condition of the book was better than advertised. I would highly recommend it.

Heavy product with good balance high quality and very value for this price . nice, feel good. i need it
