## Synopsis

What's to Love: Saban's Power Rangers is a multi-generational, globally-recognized franchise. With its epic Ranger suits, giant Zords and Megazords, and at its core a story of super powered teens who defend the world from evil, the Power Rangers series is a pop-culture phenomenon that has continued to resonate with fans for more than 22 years. We, as huge Power Rangers fans ourselves, are excited to produce a modern Power Rangers comic featuring the iconic characters from the original Mighty Morphin Power Rangers series. What It Is: It's Morphin Time! Saban's Mighty Morphin Power Rangers make their BOOM! Studios comic debut in this kick-off #0 issue, which sets the stage for the rest of the series. After escaping Rita Repulsa's mind control, Tommy Oliver, the Green Ranger, joins up with the rest of the Power Rangers to combat her never-ending evil plans. Any semblance of a normal life is gone for Tommy now, but with his newfound family there lies hope for a brighter path. Includes the short story from the San Diego Comic-Con exclusive Mighty Morphin Power Rangers comics!

## Customer Reviews

It was short but good bulk and skull are always funny. It was also well drawn it looked just like the show.

The authors clearly show respect for the source material by not changing too much (here's looking at you, Lionsgate) while still updating the theme and finding a more mature, thought provoking, and realistic tone. Everything the fans have begged for and more.

Awesome comic!

I don't get it!

When I heard about this series, I was immediately curious. The artwork was really good. I like how they didn't try to alter the look of the characters from the original TV show. This was an interesting little teaser. I'm looking forward to reading the next one.

As a kid, I admit I loved the Power Rangers. Super powered everyday "teens", fighting robots that transformed? How could I not love it? When I first learned about the new comic series and how it may take a slightly darker turn, I was a bit iffy about it. Sure the TV show had some hard moments in it, but you always knew they win in the end, it's a kids show after all. After reading just comic zero, I already love it. They took the corny but loveable kids show and turned it into adult readers will enjoy. Can't wait for more!

Great movie

The comic mirrors the characters and the plot of the tv show. If you enjoy the show this is a must read
