Be Confident (Hebrews): Live By Faith, Not By Sight (The BE Series Commentary)

Synopsis

Hebrewsâwritten by Christians, to Christians, and for Christiansâis loaded with spiritual truth accessible to any believer looking to grasp the importance of faith. Penned at a politically unstable time, Hebrews targets believers tempted to abandon their faith and slip back into the rules and regulations of Judaism. In our politically unstable day of "wars and rumors of wars" (Mark 13:7), we can all understand the quest for stability. But there is only one source of rock solid security. There was a time for rules and sacrifices. Then Christ came as the perfect, spotless Lamb to atone for sin once and for all. Respected pastor Dr. Warren W. Wiersbe will show you that by focusing on the reality of the unseen first, an overwhelming desire for intimate friendship with God will follow.

Customer Reviews

Our Senior Adult Bible study group leader chose this book for our Winter study, and we have all been blessed by it's content and insights. The author has a way of explaining in greater detail the

Biblical truths that we have heard for years and years and never heard it expressed in this way. We will be looking to other Warren Wiersbe books of the Bible for further study when we finish this one..

This is an easy-to-read commentary on my favorite book in the Bible. But, it is also one that will not let you off with just feeling good, "blessed," or better informed. It asks, no demands, you to apprehend the confidence we have in Christ, to move on to spiritual maturity to become competent in the Word, the promises of God, and their application and edification of the body of Christ. And, to be committed to persevering in your faith in Christ regardless. If there is one single message in Hebrews, it is that Christ is SUPERIOR to anything else and IN HIM we CAN overcome and become what God always meant us to be. I found myself saying, "Amen" and "Praise the Lord" frequently while reading...most of the time out loud! And, my copy is now highlighted and marked with personal notes, questions for follow up, and little "Ah, Hahs!" Buy this commentary. It will bless you significantly!

This is a very in depth study. I have come away with a much greater understanding of Hebrews. My only complaint is that the author was a bit lengthy in his explanations.

Wiersbe is probably one of my favorite writers. This book was so insightful and meaningful. It digs deep and draws out treasures from God's word like I've never experienced before. Amazing and highly recommended to those seeking or wanting a deeper relationship with God.

Good balance between going into depth in order to encourage further study. Hebrews is arguable one of the most difficult to understand books in the New Testament, so have reasonable expectation about a 10-lesson study which attempts to cover 13 dense chapters of the Bible.

Purchased this book to do a study with ladies in our church. It was a very light study for the contents of Hebrews. I used a lot of other resources to supplement the study.

Wiersbe's commentaries are insightful, easy to comprehend, provide good questions for discussion.

How do you write a relatively brief commentary on what is considered the most difficult book in the Bible? Only Warren Wiersbe could accomplish this and give a deeper understanding of this book in a one-volume, very readable exposition. I always like to read a couple of commentaries on any book

of the Bible that I study. When I found we were going to cover Hebrews in only four weeks in my current study group, I immediately looked for Warren Wiersbe and found what I wanted in his "Be" series. Much more extensive works on Hebrews exist, but this met my need for the deeper insight I was looking for in a succinct volume.
